About Me

I like new challenges, so I want to learn more and more about this field and improve my skills every day.
My goal is to succeed in an innovative QA work environment and strive to realize my full potential.
That is why I am looking for a company that will give me the opportunity to learn and develop as a software tester.
I am currently located in Poland, so I am considering remote work or an office in Warsaw.

Experience in testing

UTest Platform:
- Exploratory testing of websites and mobile applications such as PUMA, Timex, Tuftandneedle, AirFrance , Wyndham.
